

TAML 2024 - Telescope Array Machine Learning Workshop 2024

Tuesday 22 October 2024

Hands-on session: simple neural networks - P101 (15:00 - 18:00)

| time | [id] title | presenter |
|-------|-------------------------------|----------------|
| 15:00 | [14] Simple neural networks 1 | HYMON, Karolin |
| 16:00 | [20] Simple neural networks 2 | HYMON, Karolin |

Wednesday 23 October 2024

Hands-on session: Data preparation and TAI - P7A (14:00 - 18:00)

| time | [id] title | presenter |
|-------|---------------------------------|-------------------------------------|
| 14:00 | [24] TAI, srecog and DST Parser | Dr PROSEKIN, Anton FUJISUE, Kozo |
| 14:45 | [26] Hands-on training with TAI | |

Friday 25 October 2024

Hands-on session: Discussion and advanced applications - P101 (14:15 - 17:00)
