

7th KAGRA International Workshop

Saturday, 19 December 2020

Student session (Chair: Dan Chen): Parallel (Experiment) (11:05 - 12:25)

time	[id] title	presenter
11:05	[83] (Student) Parametric Instability in KAGRA large scale cryogenic gravitational wave telescope	KAIHOTSU, Kiichi
11:25	[85] (Student) Optical loss study using a cryogenic folded cavity	TANIOKA, Satoshi
11:45	[84] (Student) Improvement of the laser intensity stabilization system for O4 in the gravitational wave telescope KAGRA	KUROMIYA, Yuki
12:05	[86] (Student) Calibration of PCal Laser Power with O3GK	ITO, Koki
