

Session Program

15-17 Apr 2026

**Workshop on Random Walks in Biological
Physics with Focus on DNA and chromosome
structure**

Colloquium

Institute of Physics, Academia Sinica, 1F Auditorium

Wednesday 15 April

14:00

15:15

Colloquium: Biological Physics of DNA, Chromosomes and Nuclei (Prof. John F. Marko)

Session | **Location:** Institute of Physics, Academia Sinica, 1F Auditorium | **Convener:** Prof. Keng-Hui Lin
