

**Session Program**

15-17 Apr 2026

**Workshop on Random Walks in Biological  
Physics with Focus on DNA and chromosome  
structure**

***Lecture 2***

Institute of Physics, Academia Sinica, 1F Auditorium

## Thursday 16 April

13:30

15:00

### **Lecture 2: DNA Twisting and Supercoiling (Prof. John F. Marko)**

**Session** | **Location:** Institute of Physics, Academia Sinica, 1F Auditorium
