

Session Program

15-17 Apr 2026

**Workshop on Random Walks in Biological
Physics with Focus on DNA and chromosome
structure**

Lecture 6

Institute of Physics, Academia Sinica, 1F Auditorium

Friday 17 April

15:30

17:00

Lecture 6: Introduction to Stochastic Theories for Anomalous Diffusion Processes in Living Systems (Prof. Jae-Hyung Jeon)

Session | **Location:** Institute of Physics, Academia Sinica, 1F Auditorium | **Convener:** Prof. Tetsuya Hiraiwa
