

Transportation to the Banquet Restaurant

- We will arrange a bus to transport all participants from the IoP to the banquet restaurant
- The bus will depart from the Hi-Life convenience store at 6:00 pm
 - Please board in front of the entrance facing the campus
- For those staying at the AS Guest House, we can return together by metro after the banquet

Invitation to Publish in CJP

- We would like to invite all speakers to write a half-page summary of their talks
- We, the organizers, will edit the summaries and compile them into one article
- The plan is to publish the content as a review article in the Chinese Journal of Physics, operated by the Physical Society of Taiwan (Q1, IF = 4.8)
- For content involving ePIC detectors, we will need to discuss with the ePIC Collaboration whether it can be included in this review article
