

Session Program

2-4 Sept 2026

Frontiers in Axion Haloscope Experiment

Overview

Department of Physics, National Central University, Meeting Room
Department of Physics, National Central University, No. 300, Zhongda Rd., Zhongli District, Taoyuan
City, Taiwan 300 ()

Wednesday 2 September

09:40

Overview: Overview of the axion haloscope experiment

Session | Convener: Dr Karl van Bibber

10:00

10:00

Overview: IBS Dark Matter Axion

Session

10:45

10:45

Overview: HAYSTAC and ALPHA

Session | Convener: Dr Karl van Bibber

11:30

12:00

Overview: TASEH

Session

12:30
