

The First TIDC EIC Workshop

NCKU, August 18-19, 2022

The First TIDC EIC Workshop

NCKU, August 18-19, 2022

The APCTP Workshop on the Physics of Electron-Ion Collider

Seoul, Nov 2 – 4, 2022

Report from Taiwan, presented by Prof. Yi Yang.

The 2023 East-Asia EIC meeting will be hosted by NCU and TIDC.

NCU workshop on EIC physics and detectors

NCU, December 9-10, 2022

NCU workshop on EIC physics and detectors

NCU, December 9-10, 2022

EIC-related News

- Dr. Po-Ju Lin (AS) visited RIKEN at the end of Nov to collaborate on the ZDC simulation.
- Dr. Yuji Goto (RIKEN) set up an EIC-Asia mailing list eic-asia-l@ml.riken.jp. The first EIC-Asia monthly meeting is scheduled at PM10:00, Jan. 19 (Thu).
- A meeting between a delegation of the EIC Project and the EIC-Asia scientists is planned at RIKEN, Japan on March 16-17, 2023.

The 2nd TIDC EIC Workshop

AS, January 3, 2023

The 2nd TIDC EIC workshop

Tuesday 3 Jan 2023, 09:00 → 18:00 Asia/Taipei
